October 18, 2012

To: Stakeholders of the Board of Home Inspectors

Re: Revised Standard of Practice

Dear Stakeholder,

Please be advised that the Board is currently reviewing the standards of practice utilized by home inspectors. The premise for the review is to consolidate the three current Board approved standards into one.

As with any regulation change, there could be a future public hearing held. In the interim, if you would like to convey your opinion regarding the matter, please contact the Board Administrator, Tony Crockett via letter or by email at: [tony.crockett@ky.gov](mailto:tony.crockett@ky.gov)

Sincerely,

A handwritten signature in cursive script that reads "Kevin Farris".

Kevin Farris  
Board Chairman
